**THE WHOLE
WORKS FOR
BERLIN**

RESPECTABLE HOUSING

We want to effectively combat real estate speculation and continue to work for affordable rents in thriving districts.

MODERN MOBILITY

We want everybody to be able to go from A to B with buses and trains – safely and reliably – and will continue to do all we can for bicyclists and pedestrians.

OPEN SOCIETY

We want to keep Berlin multifaceted and cosmopolitan and will continue to do our utmost for any people who seek our protection.

HEALTHY URBAN ENVIRONMENT

We want to keep Berlin a green city and will continue to fight so that it remains a pleasure to be outside in the parks and on the Spree.

STRONG FAMILIES

We want families to live free of stress and will continue to work so that every generation can feel at home in Berlin.

SOLID FINANCES

We want to put an end to wasting taxpayers' money with prestige projects and will continue to fight for sustainable investments and a functioning administration.

INNOVATIVE ECONOMY

We want to promote start-ups and the trades and will continue to work for jobs with fair pay in our city.

GOOD EDUCATION

We want to repair our schools, improve child care and continue to assure that every child in Berlin is well taken care of.

LIVING CULTURE

We want enough space for all forms of art and culture and will continue to fight to keep Berlin's creative areas available.

NEW POLITICAL STYLE

We want to shape the city together with its inhabitants and will do our utmost for more citizens' participation and direct democracy.

LANDESVERBAND BERLIN

**GOOD REASONS
TO VOTE THE
GRAND COALITION
OUT OF OFFICE**

**5 YEARS
ARE
ENOUGH**

THE BER DISASTER

The continuing catastrophe, calamity and insanity. Opening delayed 4 times. To date costs of 5 billion euros and no end in sight.

THE S-BAHN CHAOS

**Who cares? Delays, cancellations, price increases and with the first snowflakes it grinds to a halt.
We care!**

THE RENT HIKES

Real estate speculation, housing shortage and crowding out. The "rent brakes" aren't holding. Berlin is not Dusseldorf.

THE VATTENFALL DEAL

The usual suspects. The Senate goes 50-50 with the nuclear power and coal companies in the electrical grid. Climate protection? Ha!

THE TEMPELHOF TRICK

**Block the referendum. Didn't work.
Win the referendum. Didn't work.
Next idea: Ignore the referendum.**

THE AUTHORITIES: OUT TO LUNCH

Kafkaesque conditions. Monthlong waiting times.

Software from the last century.

And the Senate? Considering optimizing business processes.

THE SCHOOLS DILAPIDATED

Disgusting restrooms, broken windows, run-down gyms, lack of fire protection, thousands of school places and teachers missing. What next?

THE CAPITAL OF POVERTY

Every third child lives in poverty. Saddest record-holder in Germany. Poor is not and never was sexy!

THE OFFICE IS OUT OF OFFICE

**Record crime rates. And the
Senator for Internal Affairs
wastes his time chasing potheads –
if he is not out on a junket.**

THE REFUGEE FAILURE

There simply are no words.

**VOTE THE
GRAND
COALITION
OUT ON
SEPTEMBER 18!**
